PRELIMINARY AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Prior to examination please amend the above-identified application as follows:

IN THE CLAIMS:

✓
Please cancel claims 24 and 33, without prejudice or disclaimer, and amend the following claims.

Sub E1
23. (Amended) An apparatus comprising:

- a first processor;
- a second processor;
- a first memory; and
- a second memory;

D'
said first processor having write access at any time to any location in said first memory and read access at any time to any location in said first memory and said second memory; and
said second processor having write access at any time to any location in said second memory and read access at any time to any location in said first memory and said second memory.

wherein said first and second processors operate independently of each other.

D
